

Client: Talini Cafe
Location: Rose Bay, Sydney
Time Scale: 3 Weeks
Area: 81 m²

Client Profile

Talini Cafe is the first of its kind and new to the hospitality game with a unique brand of coffee and relaxing atmosphere a place to chill out and catch up with friends and family.

Scope of Works

Collaborate in design and construction of the cafe fitout. Maximise the space but still give staff accessibility to serve and communicate with customers easily.

Works Included

- ▲ Demolition and make good of the existing premises
- ▲ Procurement of all goods including the recycled timber feature walls
- ▲ Construction of all walls and doors
- ▲ Modifications to the existing plasterboard ceilings
- ▲ Design, construction and adaptation of all joinery including the fixed bench seating and furniture
- ▲ Manage all essential trades and services throughout duration of the project
- ▲ Supply and installation of the stone and vinyl flooring
- ▲ Painting the entire cafe including the existing aluminium framed glass doors and windows.

Challenge

Create “something different” a cafe with a personality of its own with a relaxed friendly atmosphere.

Solution

Bring a relaxed beach ambience and the beautiful scenery of Rose Bay into the cafe. Using greyed weathered recycled timber and a painted mural feature wall.

“ You can trust the team at Apex to take care of your project. They keep you informed throughout the process, so you always know where things are at. They delivered what they promised and more. Thank you guys. ”

Artak Giulam
